ANIMA PRESTIGE

Gaggia's Anima Prestige is a completely Italian manufactured super-automatic machine made for the home coffee addict. The integrated milk carafe froths the milk twice and removes all the bubbles to get a perfect froth, always at the right temperature, in just one touch. Inspired by Italian design and craftsmanship, the stainless steel front suits both traditional and modern kitchens. Enjoy 5 coffee and milk based drinks, from the traditional espresso to a foamy cappuccino. The coffee beans container preserves the coffee aroma in an even better way thanks to its special lid
